Information for moderators

- Note that you may be asked by your bracket captain or control room to read for tiebreaker games for teams in your bracket if needed.
- **If you are a solo reader:** take your scoresheet from Round 7 immediately to your control room; then wait outside your bracket captain's room.
- **If your room has a reader and a scorekeeper,** send the scorekeeper immediately to your control room; the reader should wait outside the bracket captain's room
- After you are done reading tiebreakers (or confirm with your bracket captain that you are not needed for tiebreakers), you are welcome to head to lunch (for nearby lunch options, visit <http://pacensc.github.io/hotel-map>)
- Return to your **playoff control room** by 2.30 pm to pick up the Round 8 packet.
