

# Packet 12 Reminders

## Information for Tier I, II rooms

### Information for teams (read these out to the teams)

- Round 12 is the final round of Saturday evenings's playoff phase.
- Send one representative (and one representative only) to your playoff bracket's Bracket Captain (listed under your playoff bracket's schedule)
- Bracket captains will notify the teams whether they are involved in a tiebreaker to determine their superplayoff bracket or if they are done for the day. **All tiebreakers to determine superplayoff seeds will take place on Saturday night**
- Superplayoff brackets will be posted to the PACE website and the HSQuizbowl forums about 1 hour after the conclusion of the final tiebreakers.
- Teams should verify their schedule and email Gaurav Kandlikar at [tournament.director@pace-nsc.org](mailto:tournament.director@pace-nsc.org) with any discrepancies.

### Information for moderators

- Note that you may be asked by your bracket captain or control room to read for tiebreaker games for teams in your bracket if needed.
- **If you are a solo reader:** take your scoresheet from Round 12 immediately to your control room; then wait outside your bracket captain's room.
- **If your room has a reader and a scorekeeper,** send the scorekeeper immediately to your control room; the reader should wait outside the bracket captain's room
- After you are done reading tiebreakers (or confirm with your bracket captain that you are not needed for tiebreakers), you are done for the day
- Leave the buzzer in your room set up - don't change anything!
- Report to your Sunday control room by 8AM.
